

## Ingredients for candles & lamp oils

Trading & Production  
of  
Oleochemicals  
and  
Related products

*Tradition in customer relation.  
Innovation in chemistry and  
customer service.  
An extra touch with the use of  
natural and renewable raw materials.  
Looking forward to meet performance  
and cost effectiveness with relation  
to changing technologies, stronger  
regulations and new market demands.*

*The Mosselman team.*
